ADANI VIDYA MANDIR, SURGUJA

ADANI VIDYA MANDIR, SURGUJA

Adani Vidya Mandirs are truly 'The Ideal Temples of Learning' for those children, who are blessed with talents; but face economic disadvantages. Adani Foundation nurtures these talented students and provides them cost free high quality education with complimentary support in transport, uniform, books and healthy meals.

From Principal's Desk

Thomas K V
(Principal)

Dear Adanians,

It's amazing to see that the end of the Term-1 arrived so quickly. I want to thank you all for the support and patience shown these past months. We had successes and some challenges, yet despite all, we continued the work that has to be done to ensure the safety and educational needs of our students. There are countless people to whom I owe an expression of gratitude. Your presence and support make a much stronger working community supporting to achieve the school's goals and ensuring our students are our top priority.

In closing, I take this opportunity to congratulate all the students of the first Class-X batch of Adani Vidya Mandir for passing the CBSE X Board Examination with flying colours.

I also acknowledge and appreciate the wholehearted support of all the stakeholders in facilitating the physical class in school which brought smiles back on the face of our students.

Quoting the words of Kofi Annan on education, "*Knowledge is power. Information is liberating. Education is the promise of progress, in every society, in every family.*" Let us all work together to ensure a great success in 2021-'22.

ENTRANCE

CLASSROOMS

CANTEEN

COMPUTER LAB

- Computer lab is a place of serious work. Therefore, strict silence is to be observed in the computer lab.
- Nothing is to be taken into the computer lab without the prior permission of the teacher.
- Computer is a delicate and expensive machine. Report immediately if any damage or defect is noticed.
- Every student is held responsible for any program deleted knowingly or unknowingly.

GAMES

LIBRARY

The purpose of school library is to help every member of school community — students, staff — gain new knowledge, skills, and dispositions for learning and personal development that they will use throughout their lives.

- improves student outcomes — collections developed for unique school community enrich reading and learning programmes.
- welcomes people in — the library is a safe place, that values and includes students from different cultures and backgrounds

CHEMISTRY LAB

In order to foster scientific temper and spirit of enquiry in students by letting them test and verify various theories and principles of chemistry, the school has well equipped, maintained, instrumented chemistry laboratory. The purpose is to impart elementary knowledge and basic practical techniques among the students. Here students enjoy to analyses various skills of chemistry Practical.

CAMPUS VIEW

The best place for children to enjoy the outdoors, learn about the natural world and take vigorous exercise on a regular basis is in the school grounds. School grounds are safe and accessible

Stay motivated and study hard

Education is the most powerful weapon
for changing the world.

Learning is the treasure that will follow its
owner everywhere.

School is a building which has four walls with
tomorrow inside.

The beautiful thing about learning is that no
one can take it away from you
