Dear Adanians,

We are on the threshold of a New Year welcoming 2022 looking forward to replenishing and rejuvenating the verve and gusto we have lapsed owing to the past two consecutive pandemic stricken years that we have incurred. Let new vibes of hope and stripe of horizon be etched on each of our mind to obviate and relinquish the despondency and chagrin entailed by Covid-19.

It is quite encouraging to see how the students of AVMS cope up with the most difficult times in education and up the ante amidst physical and online classes. The meticulous efforts of the students are propitious

enough to yield academic excellence in the coming years and will bring laurels to the school to gleam it in the glory of scholastic and non-scholastic effulgence in the offing.

Dear students, you may pledge in- *We shall imperviously forbear ourselves from the upswell of sluggishness and lethargy smoothing the path to give the optimum at your academics with the godsend of the New Year Plans.*

Your success shall surely tell a success story flecked by unrelenting perseverance and steadfast adherence to grit.

I, on this occasion, wish all the parents, students, fraternity and community members **A VERY HAPPY AND PROSPEROUS NEW YEAR!!**

STAY MOTIVATED AND STUDY HARD

If you want to be powerful, educate yourself

When you focus on problems you will have more problems. When you focus on possibilities you will have more opportunities.

A good education is a foundation for a better future.

Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.
